Seatbelt Bags

We're into August now, summer is almost over and it's about time for the seasonal switch of the bags. I'm always on the search for a good sturdy handbag that will actually endure the subway, street cars, and city streets. It has to be able to come with me everywhere, including home to the nosey pets on a constant search for treats and pillows. That's why these [HARVEYS Original Seatbeltbags](#) are so intriguing, and more so now that they're releasing the Mercedes-Benz Canada Lifestyle Collection. Available in red or black, and a number of sizes, these bags are 100% woven seat-belt. If you trust a seat-belt to protect your life in the car, why not trust it to protect your belongings on the go?
